

## Softball Playoff Games Scheduled to Begin August 2

A Shaughnessy playoff for the top four teams in each the A and B softball leagues to begin August 2, was announced this week by Elmer Moon, director of athletics for the city.

Winners of the playoff in each league will meet in a two-out-of-three series for the Torrance Herald Perpetual Trophy, symbol of the city champion.

At the same time, the C league will open playoff in Waverly to determine the "Best of the League" team.

In making the announcement, Moon emphasized that teams may be reclassified at the end of the second round, scheduled to close July 3.

The top four teams, at the end of the third round, will be selected by a point system agreed upon earlier in the season. Points will be distributed to the six finishers in each league on a 10-8-5-4-3-2 basis. A team that forfeits a game loses two points. Only the second and third rounds count for the playoff.

Total points for the second and third rounds will determine the four teams to enter the playoff, Moon said.

**WINDOW ON THE WORLD**... Now on display at the Torrance Tee Vee, Cravens and Gramery avenues, is this world's largest television set and its 30-inch giant screen. The DuMont Royal Sovereign will be exhibited at the local store until July 7, according to Bob McIntyre, manager. McIntyre says this is the first public showing of the huge set since it was first seen at the Electrical and Television show held at the Pan Pacific last year. In spite of its size, Mary Rohrer, bookkeeper, has no difficulty tuning the set at close distance. Cost of the set? Only \$1870—delivered! (Herald photo).

**HOT HUCKSTERS**... Using his newly won flash camera to picture other winning ticket salesmen is Cub Scout Mike Walker, 8, of Pack 724-C. Showing their victory smiles are Ronald Brumelow, 9, and Tommy Coleman, 9. The boys led their pack in sales for the recent Scout Cruise. (Herald photo).

## More Than 100 Sign for Y Camp

Signups continued this week for the annual YMCA Summer Camping program as more than 100 Torrance and South Bay boys between the ages of 9 and 14 put their names on the dotted line to make the trip which starts next Tuesday.

Reporting on the almost 100 per cent response to the 1951 camp quota, Y Secretary Milt Isbell said that about 125 boys and leaders would be able to make the week-long camp at Round Meadow in the San Bernardino mountains.

Campers making the trip will leave from the YMCA building at Plaza Del Amo and Arlington avenue at 8 a.m. next Tuesday morning by chartered bus. They will return to Torrance the following Tuesday, July 10. Physical examinations will be tomorrow night, Isbell said.

**BARGAIN PRICE**  
When Peter Minuit purchased Manhattan island from the Indians for \$24 in trinkets, the town's population was about 200.

## Bus Schedules Announced For Alondra Swim Program

Parents were urged this week to register their children at once for the free swim program being sponsored by the Torrance recreation department and the local Kiwanis Club.

Because of the large response, the recreation department must know as soon as possible the number of participants in order to plan for the July 10\* opening day accommodations.

Buses to and from the Alondra pool will be furnished each Tuesday and Thursday from the opening day until August 16 as part of the Kiwanis Club's Kids' Day objective.

The approximate bus schedule each Tuesday and Thursday beginning July 10 will be:
